NorthgateArinso's Pensions solutions are focused on providing high quality administration services and systems in the pensions market.

NorthgateArinso Pensions overview

NorthgateArinso Pensions is the specialist pension administration division of the leading global Human Resources software and service provider NorthgateArinso and offers innovative solutions to employers and Trustees of Pension Funds of all sizes.

Underpinned by our own state of the art pensions administration products we provide a wide range of cost effective pension administration, payroll, accounting and trustee services which set industry leading standards of accuracy and timeliness.

With over thirty years experience of providing market leading service delivery we have the people, processes, technology, experience, knowledge and best practices to provide a range of pension outsourcing services geared to meet each client's specific requirements. Whether you require a shared or fully outsourced pension administration service or are seeking to use our products and technology to support your own in house administration service, NorthgateArinso Pensions have a flexible, scalable, integrated and appropriate solution to your requirements.

NorthgateArinso Pensions is focused on the priority of maintaining a robust control and compliance environment and have adopted the framework provided by the Audit and Assurance Faculty of the Institute of Chartered Accountants in England and Wales' Assurance Reports on internal controls (AAF 01/06) and have appointed PricewaterhouseCoopers (PwC) as our reporting accountants. This is backed by full ISO and Investors in People accreditation.

Our highly flexible, state of the art pensions administration products deliver comprehensive functionality, efficiency and accuracy to defined contribution, defined benefit, career average and hybrid schemes. Fully web enabled the systems hold all information needed to meet the most demanding scheme calculations and administration processes. Our systems also underpin our wide range of pension administration, payroll, accounting and Trustee services which set industry leading standards of accuracy and timeliness. Our clients include many of the largest occupational schemes in the UK. Whether you are seeking an in house system or outsourced service our range of solutions are proven to provide considerably improved efficiency, enhanced quality and significant cost savings.
